

## **AFTER CARE PROGRAM GRADES PREK - 4**

The Hough Campus After School Care program is designed to provide a safe, nurturing, and fun environment for children who require supervision beyond the regular school hours. Activities include snack, homework time, arts and crafts, inside games, and outside play.

There are three ways to pay for our After School Care program. The annual and monthly fees, paid in advance, offer a significant savings. While we realize many students attend scout meetings or coordinate clubs, we cannot offer refunds for absences when selecting the annual or monthly plan.

After School Care is available each day from dismissal until 6:00 p.m. The program is also available on several early dismissal and professional development days. These days are offered at no extra cost to those families who enroll in the annual program. A daily rate is charged for those who choose the monthly or hourly method of payment.

Please review the following three pages (scroll down), choose the plan that works best for your family by completing the attached form and return it to Patti Northrop at the Hough Campus. The payment plan is arranged through the business office. If you have any questions concerning our payment schedules or anything else, please contact Patti Northrop at [pnorthrop@canterbury-fl.org](mailto:pnorthrop@canterbury-fl.org).
